

This is very interesting as i afford spotify for listening new music but only i prefer indian songs...

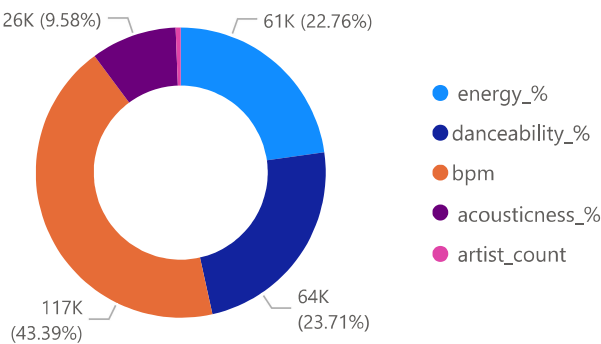

many musical apps are famous but spotify is world wide famous.it also very interesting and famous songs.. even though new release songs are shown..

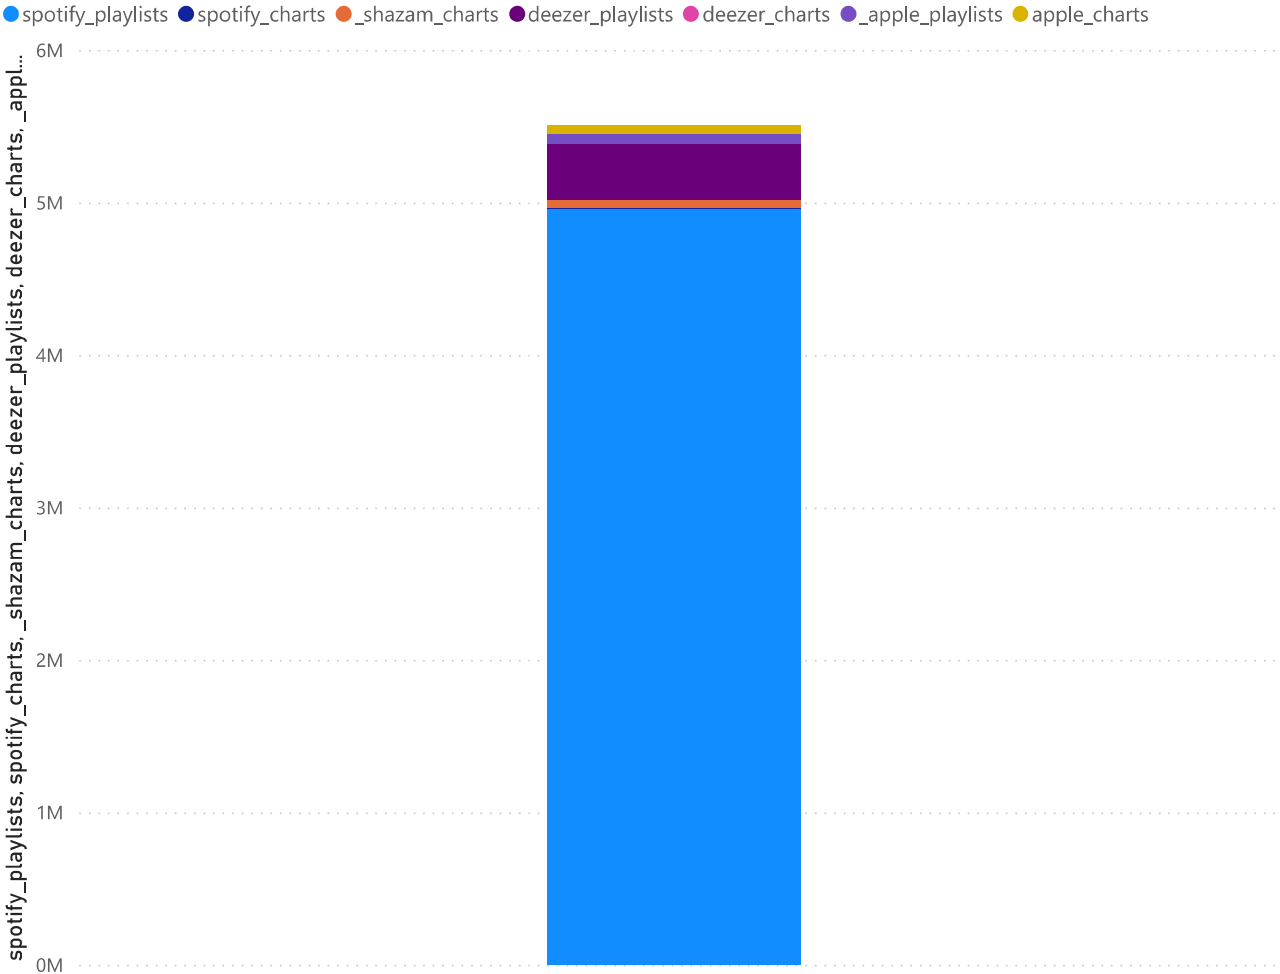

acousticness_% and artist_count by artist(s)_name

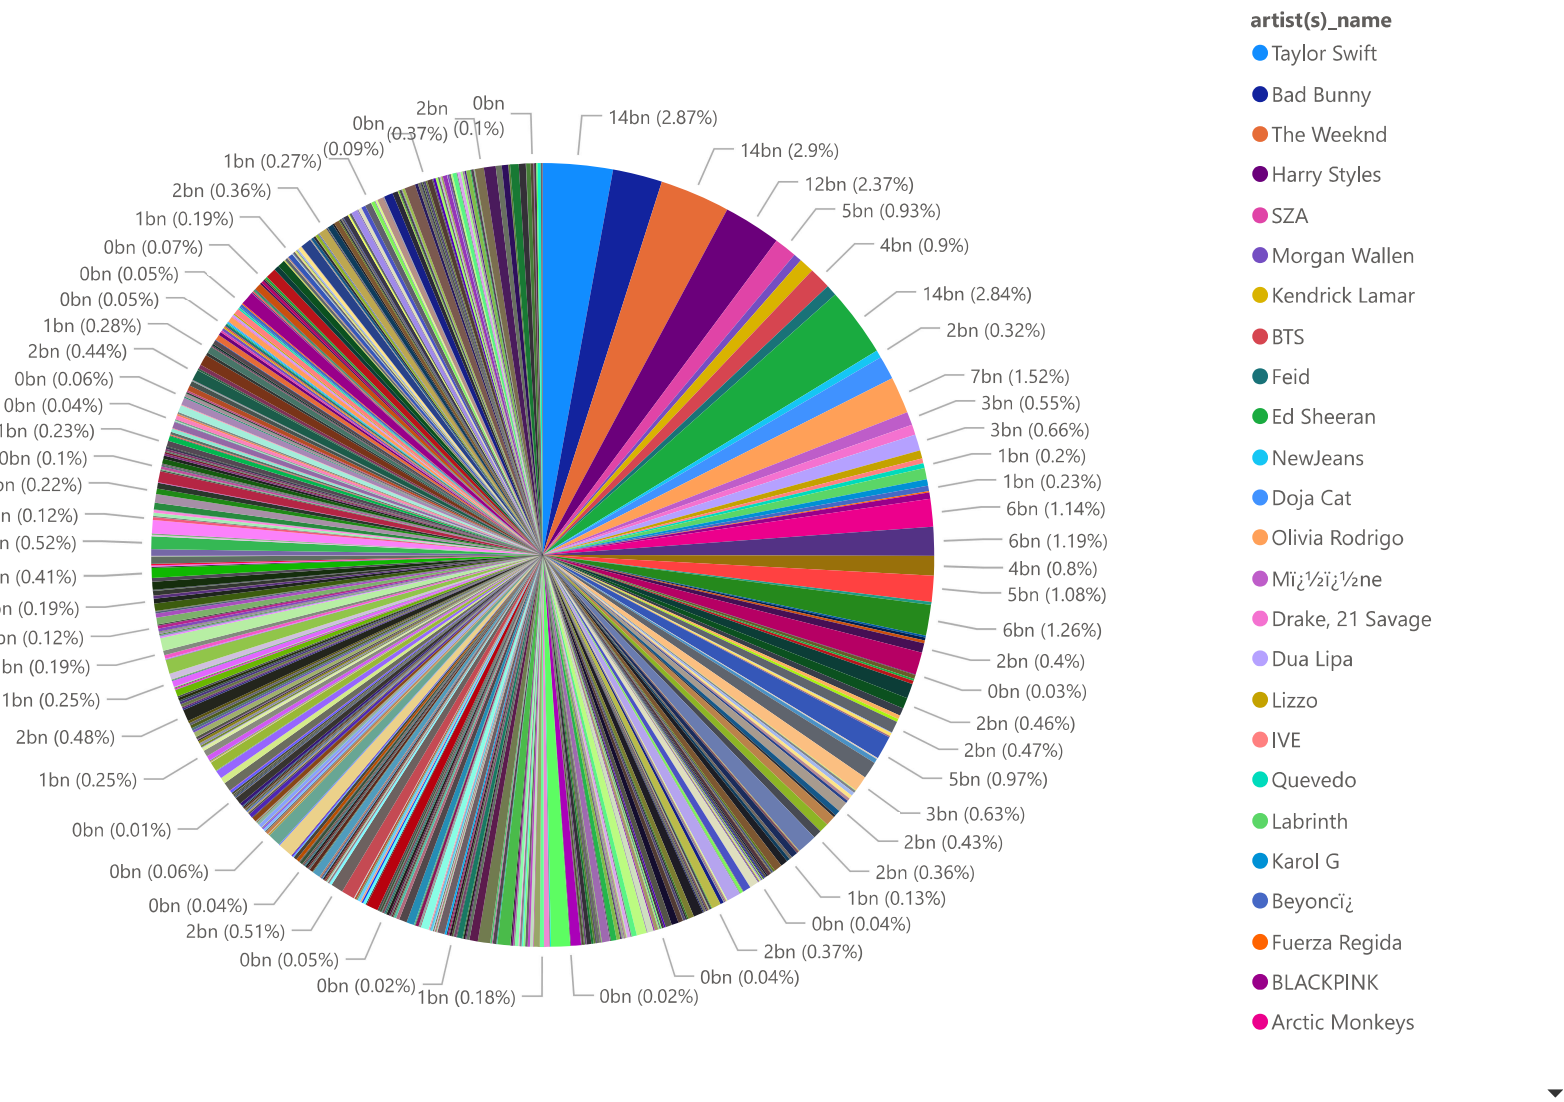

energy_%, danceability_%, bpm, acousticness_% and artist_count

spotify_playlists, spotify_charts, _shazam_charts, deezer_playlists, deezer_charts, _apple_playlists and apple_charts

valence_%, streams and artist_count by artist(s)_name

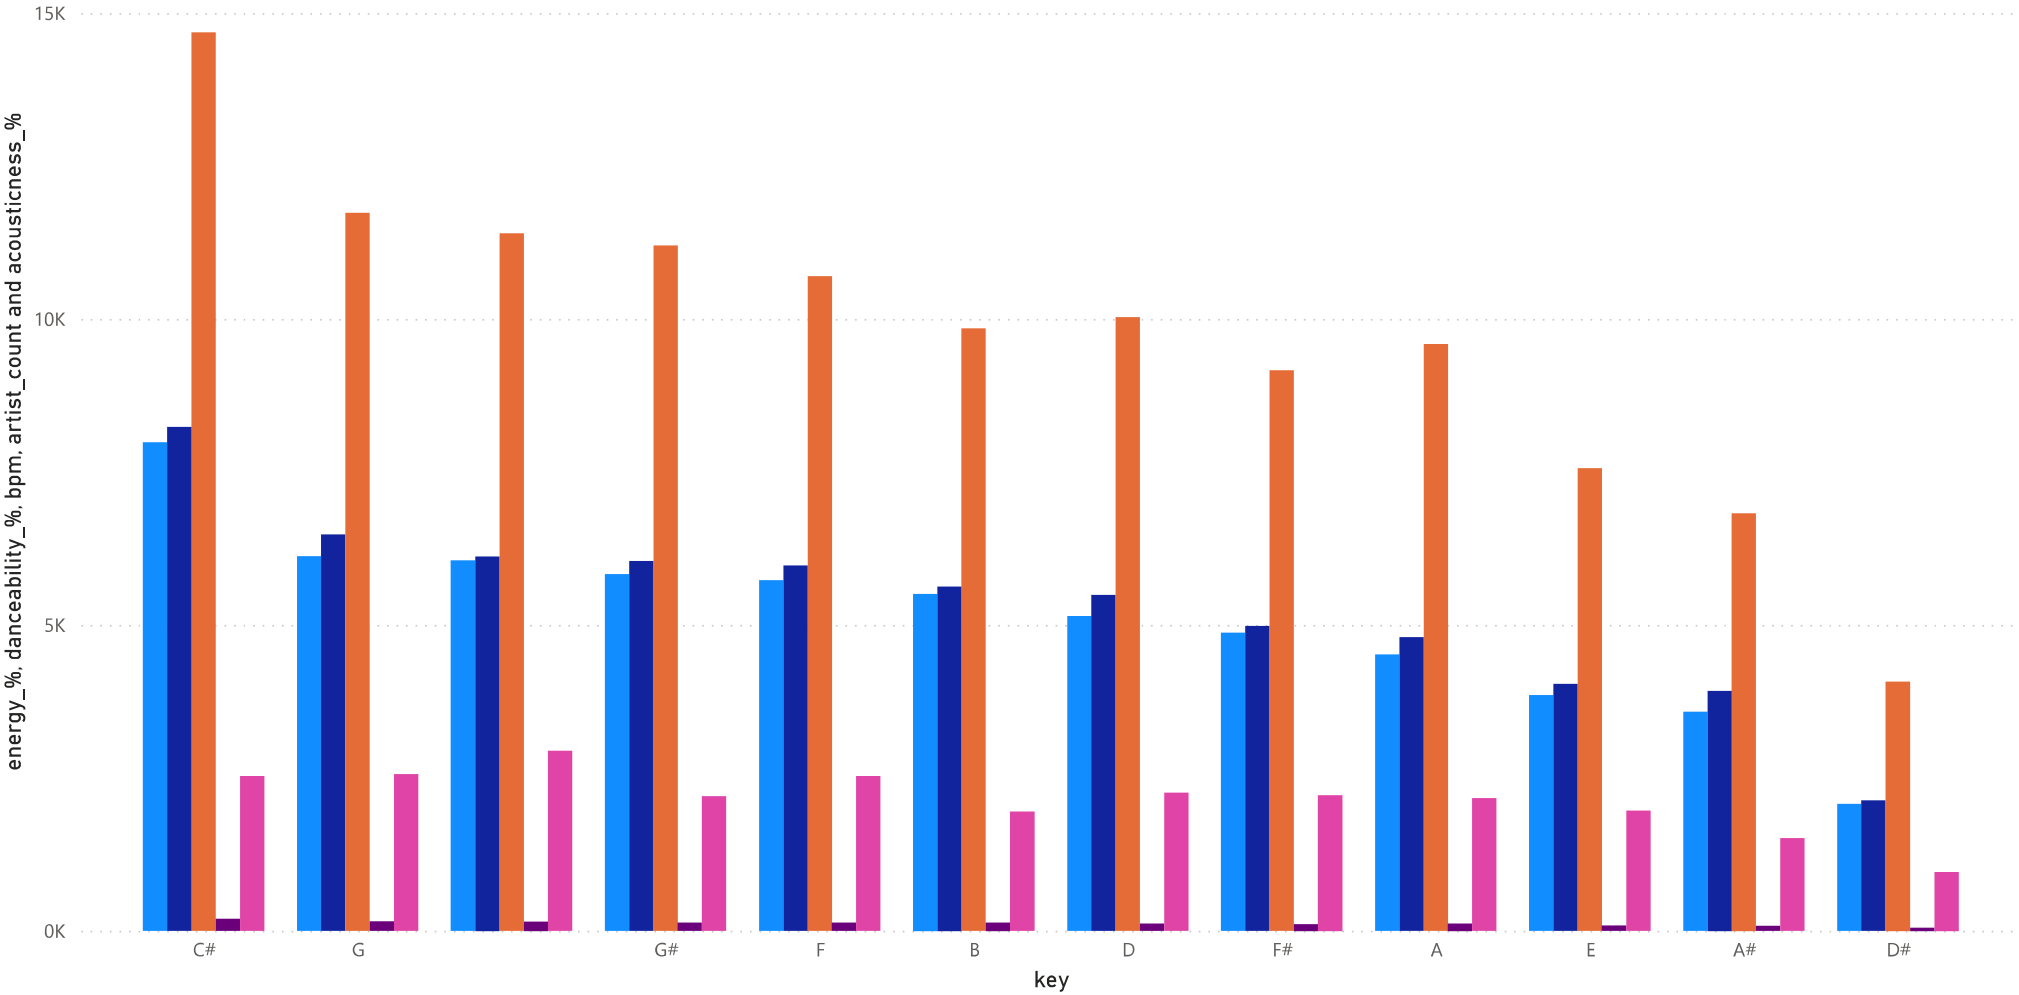

_apple_charts and apple_playlists by key and mode

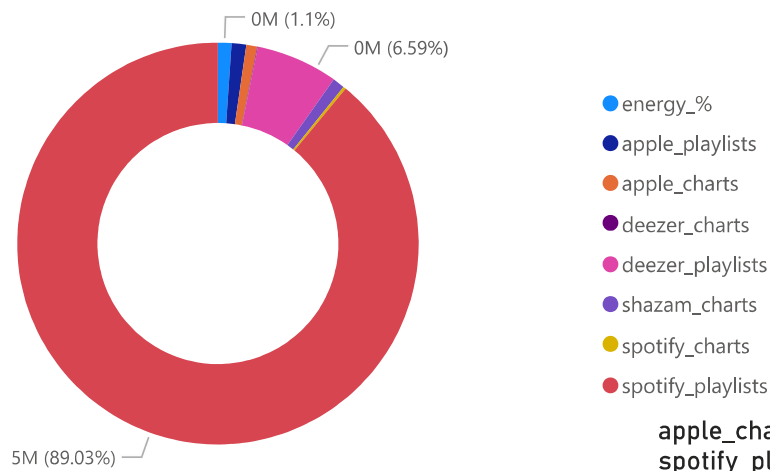

energy_%, danceability_%, bpm, artist_count and acousticness_% by key

energy_% danceability_% bpm artist_count acousticness_%

energy_%, apple_playlists, apple_charts, deezer_charts, deezer_playlists, shazam_charts, spotify_charts and spotify_playlists

apple_charts, apple_playlists, deezer_charts, deezer_playlists, shazam_charts, spotify_charts and spotify_playlists
